ADMINISTRATIVE REGULATIONS

No administrative regulations were promulgated during 1985.

LEGISLATION

The West Virginia Legislature enacted the following legislation during the 1985 Legislative Session which affects, or has the potential to affect, the insurance industry and insurance consumers of West Virginia.

S.B. 118 - Group Credit Life Insurance -- This bill amends Section 33-14-3(d) to provide that the amount of insurance on the life of a debtor under a group policy issued to a creditor may be in an amount up to the amount of the indebtedness. Previously, the statute restricted the amount of insurance on the life of a debtor under a group policy to a maximum of twenty thousand dollars ($20,000.00). The effective date of this legislation was June 19, 1985.

S.B. 213 - Continuum of Care -- This bill changes the date on which insurers must make available coverage for continuum of care services from July 1, 1983 to July 1, 1986. The bill provides, however, that insurers shall not be required to extend funds for underwriting continuum of care coverage until the Continuum of Care Board, in cooperation with the Insurance Commissioner, has completed a written master plan which establishes specific standards and coverages to be provided in such supplemental coverage. Additionally, the bill requires that rates for continuum of care coverage accurately reflect the cost of such coverage and not be subsidized by the rate structure of any other coverage. Finally, the bill amends various articles of the Insurance Code in order to clarify the policies and insurers which are subject to the continuum of care requirements. The effective date of this legislation was July 10, 1985.

H.B. 1290 - Fleet Liability Insurance Transit Authorities -- This bill adds new Section 29-12-5b which requires the State Board of Risk and Insurance Management to assist state transit authorities in procurement of fleet liability insurance for vehicles operated by the authorities. The cost of the insurance coverage must be borne by the authorities. The effective date of this legislation was July 15, 1985.

H.B. 1334 - Mine Subsidence Insurance -- This bill makes a number of changes in Chapter 33, Article 30, concerning mine subsidence insurance. The definition of a covered structure is amended by including as covered structures basements, footings, foundations, septic systems and underground pipes directly servicing a covered dwelling or building. Driveways, sidewalks and parking lots are specifically excluded from coverage. Additionally, the previous exclusion from coverage for industrial and commercial buildings is removed. The State Board is permitted to invest the funds in the mine subsidence insurance fund and use the interest therefrom for claim payments and administrative expenses of the program. The bill also provides that mine subsidence coverage is mandatory unless waived by the insured. However, in the following specified counties, coverage is optional and is to be provided only upon the request of the insured: Berkeley, Cabell, Calhoun, Hampshire, Hardy, Jackson, Jefferson, Monroe, Morgan, Pendleton, Pleasants, Richie, Roane, Wirt and Wood. The bill provides that the effective date of coverage shall be the thirtieth (30th) calendar day following application. A new provision is added to the effect that the amount of mine subsidence coverage cannot exceed the amount of fire insurance coverage on the covered structure. The bill also permits an insurer to refuse coverage on structures which evidence a loss or damage in progress. The legislation increases the State Board's reinsurance liability from fifty thousand dollars ($50,000.00) to seventy-five thousand dollars ($75,000.00). The bill also deletes the existing requirement that insurers remit to the board all monies recovered as a consequence of subrogation. This bill became effective on July 1, 1985.

H.B. 1763 - Rehabilitation And Liquidation -- This legislation makes certain changes in the rehabilitation and Property and Casualty Guaranty Fund statutes. New Section 33-10-19a establishes the priority of distribution of claims from the estate of an insolvent insurer. The legislation also clarifies the definition of covered claims. Specifically, the bill provides that covered claims do not include: retroactive premiums or premiums subject to adjustment after the date of liquidation; amounts due as subrogation recoveries from the insolvent insurer or an insured of the insolvent insurer; and, claims filed after the date established by the court for filing of claims against a liquidator or receiver. The act further provides that default judgments and stipulated judgments are not binding against the Guaranty Association. Additionally, the Property and Casualty Guaranty Association is now triggered upon an order of liquidation, as opposed to the present language which triggers the Guaranty Association upon a finding of insolvency. Finally, the automatic stay provision of Section 33-26-18 is extended from sixty (60) days to six (6) months, which time begins from the date the liquidator receives the claim in question. This bill became effective July 1, 1985.

H.B. 1851 - Claim Settlement Practices -- This bill adds a new sub-section (o) to Section 33-11-4(9) concerning those activities which constitute unfair claim settlement practices. This new sub-section imposes certain notification requirements upon accident and sickness insurers in regard to acceptance or denial of claims and the status of claim investigations. The sub-section also provides that accident and sickness claims must be paid within ninety (90) days of filing of proof of loss unless the Insurance Commissioner determines that a legitimate dispute exists as to coverage, liability or damages or that the claimant has fraudulently caused or contributed to the loss. If the insurer fails to pay the claim within the ninety (90) day limitation, absent the two exemptions noted above, the insurer must pay to the claimant a penalty at the current prime rate plus one percent (1%). Any penalty paid by an insurer may not be a consideration in any rate filing made by the insurer. This bill became effective on July 15, 1985.

H.B. 1861 - Waiver of Immunity Defense -- This bill provides that any public liability insurance policy issued to a charitable association or governmental unit shall be read so as to contain a provision whereby the company issuing such policy waives, or agrees not to assert as a defense, on behalf of the policyholder or beneficiary thereto, the immunity from liability of the insured by reason of the insured's charitable or governmental status. Present law requires that such public liability policies contain specific endorsement or provision waiving the immunity defense. This bill became effective on July 15, 1985.

MINUTES OF THE ANNUAL MEETING OF THE WEST VIRGINIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

Croton-on-Hudson, New York
May 15, 1986

The Annual Meeting of the Board of Directors of the West Virginia Life and Health Insurance Guaranty Association was called to order at 10:00 a.m. on May 15, 1986, at Croton-on-Hudson, New York, by Chairman John S. Boritas, pursuant to the prescribed advance notice.

The Board members present were: John S. Boritas, Chairman (Metropolitan Life Insurance Company); Jack L. Miller, Treasurer (Appalachian Life Insurance Company); Marcia L. DuMond (Lincoln National Life Insurance Company); Robert N. Price, former Board Member (Peoples Life Insurance Company); and Herbert G. Knox, Secretary (Nationwide Life Insurance Company).

Insurance Commissioner Fred Wright and members of his staff were unable to be present. The guests included: Legal Counsel John C. Lobert, and Mauna Fry, James Little, Mark Chandler, Fay Varney and other representatives of the Appalachian Life Insurance Company.

The Board approved the Minutes of the 1985 Annual Meeting. The motion to approve the actions of the Board of Directors in the previous year was properly seconded and approved without dissent.

Secretary's Report. The Secretary, Herb Knox, indicated that the Association's Annual Report to the Insurance Commissioner had been finalized. Following a discussion of the Association's Annual Report, there was agreement that Mr. Miller would hand deliver the document to the Insurance Commissioner. The motion to accept the Secretary's Report was seconded and adopted.

Treasurer's Report. The Treasurer, Jack Miller, indicated that his report would be presented by the managers responsible for the various functions of the Association.

- Mauna Fry reported on the administrative activities of the Association including the number and type of telephone and mail inquiries from and to policyholders and claimants. She indicated that the administrative expenses were continuing at a very low level because the Association does not pay rent, salaries, or own any real or personal property.
- Mark Chandler reported on his audit as the certified public accountant for the Association. He indicated that the Association was continuing to maintain a very sound and strong financial condition. He discussed the remaining policyholders of the Iowa State Travelers Mutual Assurance Company (ISTMAC) insolvency and the policyholder premiums being paid to the Insurance Commissioner.
- Jim Little reported on the claims and settlement status of ISTMA[illegible] He stated that there had been direct mailings and newspaper notices in an effort to encourage prospective claimants to submit claim applications and the necessary supporting information on medical expenses to complete the

processing of the account. Mr. Little submitted an itemized statement of the claims settlement process by person, amount of time, and hourly wage.

The motion to pay the Appalachian Life Insurance Company for the administrative and operating costs of the Association chargeable to the ISTMAC account was seconded and approved.

The motion was seconded and adopted to note in the Minutes the appreciation and pleasure of the Board relative to the quality and efficiency of the work conducted for the Association by the officers and managers of the Appalachian Life Insurance Company.

The motion was seconded and adopted that the Association would pay the miscellaneous expenses of the Annual Meeting. The motion to accept the Treasurer's Report was seconded and approved.

Nominating Committee Report. Mr. Miller delivered the report that the Nominating Committee had nominated for a three-year term on the Board:

The Metropolitan Life Insurance Company, represented by John S. Boritas, and

The Peoples Security Life Insurance Company, to be represented by Raymond Poole.

Mr. Miller explained that the Board had retained early this year the legal services of John C. Lobert to review the state statutes and the Association's Bylaws to advise of the proper procedure to be followed pursuant to the merger of the past Board member, Peoples Life Insurance Company with the Security Life Insurance Company to form the new insurer, the Peoples Security Life Insurance Company. Mr. Lobert had issued the opinion that the original separate corporate entities no longer existed after they surrendered their licenses to conduct business and that the new entity, the Peoples Security Life Insurance Company, was eligible for membership in the Association and on the Board. Mr. Miller indicated that of the 515 member companies of the Association, 302 ballots and proxies had been cast for the Metropolitan and 282 ballots and proxies had been cast for the Peoples Security. The number of ballots and proxies present and accounted for at this meeting constituted more than a majority of the members of the Association.

The motion was seconded and unanimously adopted to reelect the Metropolitan and to elect the Peoples Security for a full three-year term on the Board. Chairman Boritas indicated that he would dispatch a letter to Mr. Poole to notify him of his election.

Old Security Insolvency Status Report. Jim Little and Jack Miller reported that the account had been closed out and that the court had established a fund of some $5.4 million in accumulated assets and interest income. Further, the Association can expect to receive a substantial cash refund within a few months.

The discussion of the potential refund led to a request of Mark Chandler to consider and prepare a proposed formula for the refund of assessments to Association members. Mr. Lobert was requested to research and report on the legal requirements involving the potential refund. Discussed also was the prospect of establishing a special reserve of such funds for the purpose of granting credits against future assessments of Association members.

Iowa State Travelers Mutual Assistance Assurance Company Insolvency Status Report. Jack Miller indicated that a reserve of $54,000 had been established by the ISTMAC receiver. The Association's claim of reimbursement against the ISTMAC receiver has been filed. There was some discussion of the need for a statute of limitations on claims to enable the Association to set a cutoff date on claims and to close out an insolvency account.

The National Organization of Life and Health Guaranty Associations (NOLHGA) Report. Chairman Boritas and Marcia DuMond led a discussion of the membership dues, functions and future of NOLHGA. The motion to pay the $2,000 dues for 1986 was seconded and adopted. There was agreement that the Association would participate in the NOLHGA Annual Meeting in an effort to be assured that they prepare a comprehensive plan of operation and a proper budget for the organization.

Baldwin United Report. Chairman Boritas and Marcia DuMond reported that liquidation hearings had been conducted in Indiana and Arkansas. The court in Indiana and the Arkansas Insurance Department had recommended that the Metropolitan should continue to administer the Enhancement Plan as approved in September, 1985. It was indicated that the Baldwin United liability to our Association and the state of West Virginia is expected to be minimal or none based on the current status.

Other Business. Subsequent to discussion, the motion to retain Mr. John C. Lobert as permanent council for the Association with a retainer of $1,000 a year for all legal representation as needed was seconded and approved.

Model Guaranty Association Act. The discussion of the latest NAIC Model Guaranty Association Act led to the request of John Lobert to review the new Indiana law and the NAIC model to propose possible amendments to the current West Virginia law.

Election of Officers. There was discussion as to the desirability of creating the office of vice chairman. It was moved that the Association officers to serve until the adjournment of the 1987 Annual Meeting be:

John S. Boritas, Chairman
Metropolitan Life Insurance Company
Marcia L. DuMond, Vice Chairman
Lincoln National Life Insurance Company
Jack L. Miller, Treasurer
Appalachian Life Insurance Company
Herbert G. Knox, Secretary
Nationwide Life Insurance Company

The motion to close the nominations from the floor was seconded and adopted. The motion to select the officers nominated was seconded and adopted.

Jack Miller stated that there is only nine active life insurance policies in the ISTMAC insolvency. He further indicated that the Appalachian Life Insurance Company was preparing to present a formal proposal to the Insurance Department to assume the liability for the ISTMAC life insurance policies that have remained active by the payment of premium to the Insurance Commissioner. The Board agreed that, while service to the nine continuing policyholders remains a priority, the claims handling service of ISTMAC appears to be complete and the account should be closed. The Board further agreed to support the Appalachian's intent to present a request for a certificate of assumption to the Insurance Department. Mr. Lobert was requested to represent the Association in preparing the necessary applications to facilitate the transaction and to close the Insurance Department's ancillary receivership of ISTMAC.

The motion was seconded and unanimously adopted concerning the resolution of commendation and a special plaque in honor of and appreciation to Robert N. Price for his service, advice, counsel and friendship to the Association.

The meeting adjourned at 1:15 p.m.

A financial report as of June 30, 1985 was given by Secretary-Treasurer Marks, which was accepted by the board. The report was prior to the receipts from the recent assessment, which are just now due. Administrator Lane supplemented the report adding that as of 8/22/85 the majority of the assessments had been received and that the current cash balance in three banks was now $3,296,482.55. He anticipated no problem receiving the remaining outstanding assessments. Chairman Waskom requested that members be advised of the cash flow update when the minutes of this meeting are mailed to members.

Administrator James E. Lane reported to the board that the plaque had been sent to Past Chairman John J. Baxter in recognition of his service to the board and a letter had been received from Jeff expressing his appreciation.

Mr Lane reviewed a new insolvency, Union Indemnity of New York, basically a surety company and recommended acceptance of the insolvency, but to delay any assessment at this time. His recommendation was moved and seconded by the board. He further advised the board that he knew of no other insolvencies since the last meeting that would affect West Virginia.

Mr. Lane then reviewed with the board the matter of the Inland Mutual request for deferment of their assessment in the amount of $4,700.00. After much discussion and after Mr. Lane read the wording of the statute at the request of the board it was moved and seconded that the board would defer the assessment for a period of one year upon confirmation from the West Virginia Insurance Department that the payment of the assessment would further financially impair the company. Mr. Norton had advised the board that their assessment had been deferred in other states where the company was doing business. Mr. Norton also abstained from voting on the issue.

Administrator Lane reviewed with the board the upcoming NCIGF 1985 Guaranty Fund Workshop to be held October 17-18, 1985 in Itasca, Illinois. He advised the board that he felt the workshop would be very beneficial to anyone that could attend and that there would be representatives from both Ideal Mutual and Excalibur Insurance at the meeting.

Mr. Lane then reviewed with the board several current claims that were being handled by the Association and received the board's recommendations for further handling of these claims.

Mr. Lane advised the board that the Claims Authorization Committee was now in existence and the Mr. Robert Showen of West Virginia Fire and Casualty agreed to serve both on the Claims Authorization Committee and the Claims Audit Committee. The Claims Audit Committee report of August 21, 1985 was then reviewed and accepted by the board. A copy of this report is hereby made a part of these minutes.

Don Waskom advised the board of the New York Insurance Departments handling of the Ideal Mutual concerning the early access regulations. He advised the board that the Department was not handling the situation in a routine manner and asked Mr. Lane to keep the board informed and stay involved concerning the early access problem in New York, any possible law suits or additional insolvencies.

The board discussed the priority of different guaranty associations on the handling of claims. Although the board had not seen the actual wording in the new agreement on the Guiding Principles and Arbitration, the board did endorse the concept and so made a motion and seconded it.

The board discussed the upcoming term of the legislature and the possibility of any matters that should be taken before the legislature for their action. It was agreed that there were no pressing matters that should come before the West Virginia Legislature at this time, but we should watch what is happening on a national level, as there has been some recommendations by other guaranty associations.

It was agreed that the next meeting would tentatively be set for the Annual Meeting on the second Tuesday of April, 1986.

The board expressed their thanks and appreciation to the Westfield Companies and Mr. Dick Welsh for their fine hospitality and use of the facilities at Westfield Center for the meeting.

There being no further business to come before the board the meeting was adjourned.

Edward R. Marks, Jr.
Secretary/Treasurer

The West Virginia Insurance Guaranty Association had its annual meeting on April 9, 1985, with the meeting beginning at 9:30 a.m., at the Marriott Hotel in Charleston, West Virginia. In attendance were the Travelers Insurance Company, represented by Robert Utley; Inland Mutual Insurance Company, represented by L.F. Norton; Municipal Mutual Insurance Company, represented by Edward R. Marks, Jr.; Aetna Life and Casualty, represented by Tom Kubicki; State Farm Insurance Companies, represented by K. Don Waskom; Ohio Farmers Insurance Company, represented by R.D. Welsh; Nationwide Insurance Companies, represented by Glenn W. Soden; James E. Lane, Administrator; The Honorable Fred E. Wright, Insurance Commissioner of the State of West Virginia; Deborah Grubb, Financial Conditions Division of the State of West Virginia; and Cheryl Davis, West Virginia Insurance Department attorney; and John Lobert, Counsel for the Guaranty Association.

Chairman Don Waskom called the meeting to order and introduced the representatives of the Insurance Department and new directors. It was moved and seconded that the minutes of the association's 1984 Annual Meeting and the meeting of November 9, 1984 be accepted and the reading waived since copies of both minutes had been mailed to the members.

A financial report was given by Secretary-Treasurer Marks, which was accepted by the board. Robert Utley and Ed Marks reported on the audit of Ernst and Whinney, a copy of which was recieved by all members. It was pointed out that no irregularities were found during the audit and the auditors pointed out the efficiency of the Association was verified by the sharing of expenses with the Ohio Association. Upon the recommendation of the Audit Committee, Ernst and Whinney was reappointed as auditors for another year. Administrator James Lane advised the board that the administrative expenses for 1984 for the West Virginia Association were $65,000. The audit report was accepted by the board.

Administrator James E. Lane reported to the board reviewing his letter to the board members of March 29, 1985. He reviewed the present insolvencies and recommended the following assessments:

Early American Insurance Company
Total claims exposure ratified by the board $325,000., less transfer from Church Laymen account $100,000., total cash assessment $225,000.

Ideal Mutual Insurance Company
Total claims and expense ratified by the board $2,750,000., less transfer from Security Casualty account $275,000. and Professional Account $100,000., total cash assessment $2,375,000.

R.D. Welsh recommended that a company status report on previous assessments be sent to all member companies. Administrator Lane reviewed the form used in Ohio for assessments and status reports. In the future status reports and collection procedures are to become a part of the report to member companies.

Administrator Lane reviewed Eastern Indemnity with the board and recommended no assessment as no covered lines of insurance were written in West Virginia. The board accepted the Eastern Indemnity insolvency but no assessment at this date. He also reviewed Wisconsin Mortgage Insurance with the board and recommended that the insolvency not be accepted by the Association since this line of insurance is not covered by the West Virginia Guaranty Association.

Administrator Lane reviewed the present office procedures and expanded work load with the board along with his present claim authority. After much discussion and review of the claim authority given the administrator by various other associations (Mr. Lane had been instructed by the chairman to draft a new authorization proposal, copies of which were distributed to the board members), the board reviewed the matter and advised Mr. Lane that the new proposal should have three layers of authority to include the following:

1. $50,000.00 per claim in office authority.
2. $50,001. to $150,000. authority may be approved by any two members of a three member experienced claim committee.
3. $150,001. thru $300,000. authority must be approved by the Board of Directors.

Mr. Lane was advised by the board to include the new claim authorization in the service contract when it is renewed.

Mr. Waskom reviewed the work of the various committees and turned the meeting over to R. D. Welsh who reviewed the nominating committee's recommendation for officers for the coming year. He then turned the meeting over to Commissioner Wright who handled the election of officers. The following officers were elected for the coming year:

Don Waskom	Chairman
Ed Marks	Secretary-Treasurer
Glenn Soden	Assistant Chairman

Don Waskom in his Chairman's report stated his concern for the events of the coming year and how these problems have been handled without problem in the past. There was much discussion on the publicizing of the activities of the Association, and it was finally agreed by the board that no action should be taken to publicize the activities of the Association for fear of the adverse effect on the public of the feeling of any undue security provided by the Association.

Mr. Waskom reviewed the present service contract with the Ohio Association and recommended the contract be renewed with the same terms and conditions other than the amendment to the claims authority. His recommendation was approved by the board. Mr. Waskom also recommended the continuance of John Lobert as counsel for the Association and reviewed his present activity as counsel and claims attorney. His recommendation was approved by the board.

There was much discussion concerning confidential claim settlements and it was noted that the Guaranty Association's activites are public information. John Lobert was instructed to research the matter and to advise the board in the future. Mr. Lobert advised the board that the amendments to the state code concerning the West Virginia Insurance Guaranty Association had been approved by the legislature and were sent to the Governor for approval. He provided the members with a copy of the amendment.

Mr. Lane then reviewed with the board several current claims that were being handled by the Association and received the board's recommendations for further handling of these claims.

A motion ratifying the action and activities of the board and administrator during the preceding year was properly moved, seconded and unanimously approved by the board.

Don Waskom advised the board that under the present statute there is a clause which states that an assessment may be exempted or deferred if it will financially impair a company. After much discussion on this issue, it was agreed and a motion made, seconded and passed that should this become an issue, the company in question should present the problem to the guaranty association's administrator who would verify the financial condition of the impaired company with the appropriate insurance commissioner and that the deferral be for a period of one year.

It was moved and seconded that a plaque be purchased and presented to past Chairman John J. Baxter in recognition of his service to the board.

It was agreed that the next meeting of the Guaranty Association would be held August 22 and 23 at Westfield Center, Ohio.

There being no further business to come before the board, the meeting was adjourned.

Secretary/Treasurer

RATES AND FORMS DIVISION

In 1985, the Rates and Forms Division received and reviewed 24,232 rate and form filings; this is a decrease of 3,850 (-13.7%) over 1984.

Property-Casualty filings account for 11,442 of the 1985 volume; Life, Accident & Sickness filings make up the remaining 12,790.

A total of 5,009 filings were disapproved in 1985, with 3,568 life, accident & sickness disapprovals and 1,441 property-casualty disapprovals. These filings were not in compliance with the West Virginia laws and regulations.

MAJOR FILINGS

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1985. While many increases were granted, the Insurance Commissioner often granted amounts which were much less than requested because filers failed to adequately document their requests.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in cost of items for which insurance pays; a comparison of the CPI for December 1985 with December 1984 shows the following increases:

Auto maintenance and Repair	+3.3%
Medical Costs	+6.7%

State Farm Insurance Companies' Crash Parts Index declines -8.8% between January 1, 1985 and January 1, 1986.

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this area.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI changes occurring between December 1984 and December 1985:

Housing	+4.3%
Housing Maintenance & Repair Costs	+2.6%
Household Furnishings	+0.2%
Lumber and Wood	-1.8%

(C) Health Insurance Rates: Continued quantum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison of December 1985 with December 1984 shows the following increases:

Physicians' Services	+6.9%
Medical Care Commodities	+6.3%
Hospital Room	+4.8%
Hospital & Medical Care Services	+5.2%

GENERAL ACTIVITIES

Consumer Complaints Section

Complaint files are established through receipt of written inquiries and personal visits to the office from consumers and insurance industry, as well. A total of 3,787 written inquiries were made to the division in 1985 with walk-in clients numbering 738, and telephone activity accounting for 18,775 calls. Approximately 50% of the telephone inquiries were received on the "Toll-Free" line which has proven to be an invaluable service to the citizens of West Virginia.

Through the efforts of the Consumer Service Division, approximately 2.9 million dollars was returned or paid to West Virginia consumers during 1985. These monies represent refunds of premiums, and payment of claims unsettled due to a dispute, delay, or misunderstanding between the consumer and the insurance company at the time the Consumer Service Division was contacted.

Senior Citizen Seminars - Consumer Service Representatives visited sixty-eight pre-scheduled locations throughout the state to discuss health insurance coverage, medicare supplements, and any additional insurance problems. The total attendance for these seminars was 3,332.

Market Conduct Examination - Five market conduct examinations were performed in 1985.

Examinations at Gulf Life Insurance Company and Farmers Mutual Fire Insurance Company were limited to investigating specific situations which had come to the attention of the department.

Three full scale market conduct examinations were conducted at George Washington Life Insurance Company, Blue Cross-Blue Shield of West Central WV, Inc., and Mountaineer Fire and Casualty Insurance Company.

CONSUMER SERVICE DIVISION

PURPOSE

The Consumer Service Division is comprised of two sections, Consumer Complaints and Agents Licensing. In addition to the Director of the Division, six (6) technical (5 in Complaints; 1 in Agents) and four (4) clerical (2 in Complaints; 2 in Agents) are employed in the division.

The Consumer Complaints Section is responsible for the review of the facts surrounding each complaint received against an insurance company or an agent. It is the Division's objective to make certain the complainants are advised of and understand the handling of their claims and other insurance problems. The aim of the Division is to protect the citizens of West Virginia by attempting to ensure that all complaints are equitably resolved in a prompt and professional manner and in accordance with the West Virginia Insurance Laws.

The area of Market Conduct Examination was created and included as part of this division this year. Heretofore, market conduct was a limited area included as part of financial examinations. However, the need developed for a full time Market Conduct Examiner to conduct in depth reviews.

A Market Conduct Examiner examines the practices, policies, and rates of insurance companies, resident agents, non resident agents and brokers, and agencies operating in West Virginia to assure compliance with the West Virginia insurance statutes.

The Agents Licensing Section has the supervision and control over the processing of applications and the issuance of licenses to qualified resident and non resident individuals.

Publications - The National Flood Insurance Program has provided us with pamphlets containing general information to consumers on obtaining flood insurance.

The U.S. Department of Health and Human Services, in conjunction with the National Association of Insurance Commissioners, has made available a brochure entitled "Guide to Health Insurance for People with Medicare" which we use extensively in connection with the seminars as well as the day to day contacts with Senior Citizens.

Other brochures made available for distribution include "A Consumers Guide to Life Insurance" published by the American Council of Life Insurance, and various leaflets provided by the National Flood Insurance Program.

Training Sessions - This department recognizes that there are numerous agencies on the federal, state, and local level which come in direct contact with the public. We, therefore, willingly participate in various workshops, conferences, committees, etc., which focus on potential problems and the possible solution to these problems for individuals who work with the public. Participation this year included several medigap training workshops sponsored by U.S. Department of Health and Human Services; attendance at workshops for agents sponsored by the National Flood Insurance Program; Third Annual 3rd Congressional District Senior Convention sponsored by Congressman Robert Wise; and the 14th Annual Senior Citizens Conference at Jacksons Mill.

As a result of the November flood, this department was quite active as a member of the Governor's Special Action Group. The Department's designated Emergency Coordinator attended numerous meetings and visited several flood stricken areas in order to keep an open line of communication between the NFIP, insurance company, and citizens who were affected by the flood.

Agents Licensing Section

As a result of activities pursued by the Consumer Complaints Section, four (4) agents licenses were affected as follows:

Revocation - 1 (Misappropriation of Funds)

Cease & Desist - 1 (Placing business with company not appointed to represent)

Refusal to License - 2 (a) Department refused to license based upon conviction of conspiracy to transport firearms in inter-state commerce without a license. License issued upon order of Hearings Examiner. (b) Department refused to license based upon conviction for embezzlement. Denial of license upheld following hearing.

Two Informational Letters advised companies of certain licensing procedure changes and that an Agent Material address file was being compiled. The companies were provided cards on which to indicate the primary contact person within the company who would be responsible for receiving licensing information and renewal instructions.

Educational Testing Service (ETS) which began administering agents' licensing examinations in West Virginia in 1983, has provided the Division the use of an IBM PC-XT. This personal computer is linked with the ETS in Princeton, New Jersey, and through this equipment exam scores are transmitted directly to our office. Enhancements targeted for next year include word processing capabilities.

EXCESS LINES

(A) Section 33-12-10 of the West Virginia Code permits a licensed excess line broker to procure insurance from an unilicensed insurance company when it cannot, after diligent effort, be procured from any licensed company.

Following is a comparison of 1984 and 1985 excess line statistics:

	Calendar 1984	Calendar 1985	Percent Change
Total Number of Brokers	67	68	+ 1%
Number of Active Brokers	43	45	+ 5%
Written Premiums - Net	$5,959,270.22	$11,002,635.79	+ 85%
Total Tax Liability	$ 334,563.00	$ 660,158.00	+ 97%
Number of Policy Affidavits	3109	3590	+ 15%

In 1985, this Department confirmed that $11,002,636.00 of written premiums were placed through the excess line markets in West Virginia by 46 of the 69 licensed excess line brokers. The total excess line tax liability for 1985 was $660,158.00. We received 3,590 excess line policy affidavits in 1985 as compared to 3,109 received in 1984.

The above figures represent the following percentage changes in 1985 totals compared with the 1984 totals: total number of brokers increased + 1%; total number of active brokers increased 5%; written premiums increased +85%; total tax liability increased +97%; and the number of policy affidavits increased +15%.
